

**Newfield School District
Student Use of Personal Technology
Agreement and Permission Form**

All student use of personal technology is governed by the Student Acceptable Use Policy, the Student Use of Personal Technology policy and regulation and the Code of Conduct. Any Student requesting use of personal technology within the Newfield School District must read and sign this agreement with his/her parent and return it to the homebase teacher prior to use.

- 1) The student takes full responsibility for his/her device and keeps it in his/her possession at all times. The school is not responsible for the security of the device. The District is not responsible if the device is lost, stolen or broken.
- 2) The student and his/her family are responsible for the proper care of his/her personal device, including any cost of repair, replacement or any modifications needed to use the device at school.
- 3) The school reserves the right to inspect a student's personal device if there is reason to believe that the student has violated District policies or regulations, the Code of Conduct, or has engaged in other misconduct while using his/her personal device.
- 4) The student must comply with all teacher and administrator requests related to the use of personal devices.
- 5) The student may not use the device to record, transmit or post photos or video of a person or persons on campus without their permission. Images or video recorded for instructional purposes cannot be transmitted or posted without permission of the teacher.
- 6) The student should only use his/her device to access relevant files, software, email, apps and Internet content necessary for instructional use and appropriate and authorized personal use. Confidential files and student records may not be accessed.
- 7) Students and parents should not use personal technology to circumvent school rules on excuses, dismissals, absences and the like. Parents/guardians should call the School Office rather than contacting their children directly.
- 8) Students are discouraged from sharing personal devices. If a student uses the personal technology device of another student and commits a violation of District policy, both students may be liable for consequences resulting from such use.
- 9) Students may not utilize any technology to harass, threaten, bully, demean, humiliate, intimidate, embarrass, or annoy their classmates or other in their community. This is unacceptable student behavior known as cyberbullying and will not be tolerated.

- 10) Students must be aware of the appropriateness of usage and communications when using any device. If a student is told to stop inappropriateness of usage, that student must cease the activity immediately.
- 11) The use of any personal technology is prohibited in locker rooms, Health Offices, restrooms or any other area where an individual would have a reasonable expectation of privacy.
- 12) Students may not use any technology for any unlawful activity.
- 13) Violations of any District policies including the AUP, administrative regulations, the Code of Conduct, or school rules involving a student's personally owned device may result in the loss of use of the device in school and/or disciplinary actions.

Newfield Middle School Student Bring Your Own Device (BYOD) Policy	
	Blackout Zone: All electronic devices are off and in the locker or left at home for the day (ex. State or local test days).
	Red Zone: All electronic devices are turned off and put away either in their locker or in a pocket, etc.
	Yellow Zone: Students may have their electronic devices with them and they must be on silent. Students may ask the staff member for permission to use their device for an educational purpose, otherwise they are not to be used in this area during this time.
	Green Zone: Electronic devices must remain on silent mode but students may use their electronic devices freely while staying within the guidelines of appropriate school use.
To participate and bring any electronic device to school, students must have a signed personal technology parent permission slip on file in the MS Office that lists the device. Students are not to bring their devices to school unless a signed permission slip has been filed. Students and families assume all responsibility for the devices brought to school.
